

Archtek

Tooth Bleaching Kit

PATENT PENDING

#721

- Only Archtek's **Tooth Bleaching Kit** features:
 - Two "Boil & Bite" bleaching trays for a custom fit (1.5 mm thick)
 - Two 3 ml. 22% Carbamide peroxide syringes
 - Vented storage case with mirror
- Archtek's custom-fit bleaching trays are easily formed chair-side, and can be trimmed to the gingival margins.
- Front-fitting tabs on bleaching trays allow for easy transferring from hot water to mouth for forming.
- Bleaching trays assure complete coverage of all tooth surfaces and not just one surface like the strips.

- The two 3 ml. 22% Carbamide peroxide syringes whiten up to 5 shades with reduced sensitivity.
- Archtek's "Boil & Bite" trays are part of an orthodontic caries control regimen.*

* Haywood, Van B, DMD. "Orthodontic Caries Control and Bleaching: Custom tray application of 10% carbamide peroxide to orthodontic patients for removal of plaque and avoidance of white-spot lesions is outlined." Inside Dentistry. Apr 2010: 36-48. Print.
