

Archtek "Boil & Bite"

PROFESSIONAL
Bruxing
Splint

#425 or #425M

PATENT PENDING

- Each **Archtek Professional Bruxing Splint** kit includes:
2 "Boil & Bite" splints
- Available in Regular or Mint flavor
- Vented case with a mirror offers convenient and attractive splint storage
- Finally an affordable alternative for your patients

- **Archtek Professional Bruxing Splint** kit has been clinically proven to be as effective as a lab-produced acrylic splint for relief of symptoms associated with TMD/TMJ*
- Easily formed chair-side in 7–10 seconds
- One size can be trimmed with scissors to fit smaller arches
- No impressions or lab time
