

Archtek

Cosmetic-Style Dental Cases

■ Taking a cue from the cosmetic industry, Archtek reinvents the dental case with highly polished surfaces and mirrors in many of the cases.

■ The 1" deep (#821) and 1.5" deep (#823) translucent cases without a mirror, are an exceptional value. Available in six jewel-tone colors: Diamond Clear, Onyx Black, Pearl White, Ruby Red, Emerald Green, and Sapphire Blue.

■ All cases are vented for improved sanitation.

■ The 3" round cosmetic-style case with a mirror (#827) is available in eight colors: White, Melon, Violet, Royal Blue, Tangerine, and Aqua as well as, Black lid/White base, and White lid/Black base.

■ The 7" case (#829) with a mirror can be used for bleaching splints, ortho maintenance kits, and Occlusal Splints.
