

Archtek

# Grind Guard™

- Designed to be worn at night as a protection for those who suffer from night-time teeth grinding
- Relieves jaw pain
- Protects teeth during sleep

#427M-2

#427-1

#427-2

## Archtek Grind Guard™ contains:

- Thermoformed Dental Tray(s)
- One 3" diameter vented cosmetic-style case with mirror
- Single **Grind Guard™** with storage case #427-1
- Bonus Pack **Grind Guard™** with storage case, 2 trays, #427-2
- Bonus Pack Mint **Grind Guard™** with storage case, 2 trays, #427M-2

- The **Archtek Grind Guard™** has been clinically proven to be as effective as a lab produced acrylic splint for relief of symptoms associated with TMD/TMJ\*
- Fits to your teeth in just 7 seconds in warm water
- The front tab makes forming easy and is removed once successfully fitted
- Form-Fit® technology
